

ECRAN
Europe China Research
and Advice Network

Dr Kerry Brown
Team Leader

ECRAN is funded by the European Union

Steinbeis

A project implemented by Steinbeis GmbH & Co.

KG für Technologietransfer

What We Are

- Funded by the European Union, Preparatory Action on Business and Scientific Exchange with China
- Started work in January 2011
- Key aim: 'To enhance further the capacity of European policymakers to monitor and assess current developments in China on the political, economic, and social level, and their impact on the EU and EU-China relations.'

Who We Are

- Consortium: Steinbeis (Germany), Galway Development Service International (Ireland), University of Nottingham (UK), Chatham House (UK)
- Team Leader: Dr Kerry Brown
- Key Experts:
 - Economics – Professor Shujie Yao
 - Politics – Professor Shaun Breslin
 - Society – Professor Lina Song

What We Do

- Policy briefings
- Seminars
- Annual Meeting
- Currently, a network across the EU of over 200 experts on China
